RUMOR OF SUN YAT SEN ASSASSINATION

SAN FRANCISCO, August 19.—Rumors are current throughout Chinatown that Dr. Sun Yat Sen was assassinated today at Peking.
Sun Fo, the Chinese leader's son, when questioned about the rumors, stated that he had heard nothing direct from China and that he doubted the truth of the reports concerning the successful attempt on his father's life.

JUDGE WILL NOT TRY DARROW AGAIN
LOS ANGELES, August 19.—Tomorrow a motion will be presented in the second trial of Clarence Darrow for jury bribing in the McNamara case, in which the dismissal of the indictment will be asked for. Judge Hutton declared today that he would not preside in this second trial, because of holding a strong opinion regarding the innocence of the accused. In his opinion, he says, a majority of the judges of the county would likewise decline to preside, making it probable that the Governor would have to select an outside judge to try the case.

BRITISH SOLDIERS SHOOT DOWN AMERICAN POACHER
LONDON, August 19.—James Ward Rogers, an American, who has been known as a daring poacher in the elephant preserves set aside by the British government in South Africa, has been killed while defying the game law, according to reports that have reached here. Rogers led an expedition into the prohibited country after ivory. He was tracked down by a squad of British soldiers, guarding the preserve, and having refused to surrender, was shot down.

SAN FRANCISCO TO KNOW FATE TODAY
SAN FRANCISCO, August 19.—The invading Red army will engage the Blue army, defending this city, tomorrow. The defenders have taken up a position at Morgan Hill.

BEFORE JURY TODAY.
NEW YORK, August 19.—Sam Schapp, who has confessed his knowledge of the plot to murder Herman Rosenthal and of Lieutenant Becker's complicity, will tell his story to the grand jury tomorrow.

WILSON BIDDING FOR FOREIGNERS
HOBOKEN, New Jersey, August 19.—Woodrow Wilson, in a speech, delivered at a large German picnic here, stated that he believed the government must provide economic conditions under which the foreigners coming to the country to make their homes could have an opportunity to advance.

CALIFORNIA TO RESCUE.
SAN FRANCISCO, August 19.—The cruiser California has received orders from the navy department to relieve the gunboat Denver in the work of saving the freighter Pleiades, ashore at Cape Nassu, near Magdalena Bay.

CONVICT MURDERER TO DIE.
WASHINGTON, August 19.—The Supreme Court today rendered a decision upholding the death sentence passed upon Convict Finley, convicted of a murderous assault in Folsom penitentiary upon Captain Murphy. This decision forebodes the doom of Convict Oppenheimer, who assaulted and killed another convict some months ago in Folsom.

Over-Night Wireless To the Advertiser

With a rule barring Jack Johnson from boxing in the State of New York, written in indelible ink by the State athletic commission in the big book at Albany, fight fans here believe it is more than possible that the black champion and Joe Jeannette will not settle and flistic argument in New York City.

Wireless reports from the steamer Pleiades, which is ashore at Cape Nassu, state that her cargo of lumber on deck has been jettisoned and that the captain has hopes of floating the vessel, which has been lightened sufficiently.

Caj. Roosevelt issued a statement yesterday in reply to a public interview, in which Senator Penrose of Pennsylvania was quoted as saying that he believed the twenty-five-thousand-dollar check sent to him in 1904 by the Standard Oil Company was used by the Republican committee to help carry New York State for Roosevelt. The Colonel says that in 1904 he had written to George B. Cortelyou, Republican national chairman, stating that no campaign contribution should be received from the Standard Oil Company.

Lieutenant Becker made a brief appearance in the Court of General Sessions yesterday to plead to the indictment charging murder in the first degree.

An attempt to secure consideration

of the Newlands resolution for a joint congressional committee to confer with President Taft on tariff regulation failed yesterday in the Senate. Senator Smoot objected.

Sam Schapp came back to Broadway yesterday with a statement on his lips corroborating the statement of Bald Jack Rose, charging Police Lieutenant Becker with instigating the murder of the gambler, Herman Rosenthal.

The massacre of Christians in the Herena district of Albania continues. A number of Christian villages were set on fire yesterday by Turkish auxiliaries and destroyed.

The Albanian insurgents are not only complete masters at Uskut, but they have decided to march on Salonica. A detachment of three hundred rebels has already occupied the city of Kelpiu.

The Senate today passed a resolution by Senator Works providing for the investigation of the branch of the National Soldiers' Home at Santa Monica, Cal.

Senator Works' resolution asking for an investigation of the National Soldiers' Home at Sawtelle, a suburb of Santa Monica, was the outcome of a public article declaring that conditions at the home constituted a disgrace to the nation.

Grossly exaggerated rumors of plots and mutinies in the Russian Black Sea and Baltic fleets have been sent out from St. Petersburg, according to the correspondent of the Times, as a result of the fact that martial law has been proclaimed at Sebastopol and Cronstadt.

James Havemeyer, formerly associated with other members of his family in the sugar refining business, is dead at his home in New York, aged 70 years.

Albert C. Sach, district attorney of Richmond county, Staten Island, was shot down in his private office at St. Edmund today by Mrs. Elizabeth M. Edmunds and probably fatally wounded. The woman had a fancied grievance in that her husband, Dr. John Marion Edmunds, whom she had sued for abandonment, with Sach as prosecutor, had been acquitted.

Developments in the street car controversy in Chicago indicated an acute situation yesterday. Two important conferences were scheduled to be held, upon the outcome of which will depend the question of the strike.

The President yesterday sent to the Senate the nomination of Clinton W. Howard of Burlington, Wash., to be United States judge for the Western District of Washington State, succeeding Cornelius H. Hanford, who resigned while his conduct on the bench was under investigation by a congressional committee.

The British foreign office today notified the American embassy that England accepts in its principal parts the invitation to participate in the Panama-Pacific Exposition to be held in San Francisco in 1915. Formal acceptance is delayed until the exposition committee is consulted concerning the space available.

A new revolution, led by Dr. Sun Yat Sen today threatened the life of the new Chinese republic and the administration of President Yuan Shih Kai. Agents of Dr. Sun are mobilizing an army and it is expected that a fighting force of at least three hundred thousand men will be under arms within a week. Confident that emissaries of President Yuan Shih Kai will attempt the assassination of Dr. Sun Yat Sen, when he arrives here en route to Peking, friends of Dr. Sun are arranging for his protection. Feeling against President Yuan is intense.

CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Honolulu who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c. box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases we have two larger sizes, which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store, The Rexall Store, Benson, Smith & Co., Ltd., Fort and Hotel streets.

A \$6,500,000 mortgage to secure an issue of bonds for that sum was filed at Washington by the American Ice Company, popularly known as the ice trust.
